AFFINITY ENGINES, INC., a Delaware corporation, Plaintiff, v. GOOGLE INC., a Delaware Corporation, ORKUT.COM LLC, a Delaware limited liability company, ORKUT BUYUKKOKTEN, individually, and DOES 1-20, inclusive, Defendants.	CASE NO.: 104CV020368 **DECLARATION OF KIM COOPER IN SUPPORT OF GOOGLE INC.'S MOTION FOR ORDER STAYING DEPOSITIONS, QUASHING DEPOSITION NOTICES AND FOR PROTECTIVE ORDER** Date: May 27, 2005 Time: 10:00 a.m. Dept.: 2 Judge: Honorable William J. Elfving Complaint Filed May 25, 2004

I, Kim Cooper, declare as follows:

1. I am an Administrative Associate to Larry Page and Sergey Brin, the co-founders and co-President of defendant Google Inc. ("Google"). I have personal knowledge of their schedules and day to day activities for Google.

2. Google is a global technology leader with a corporate mission of organizing the world's information and making it accessible and useful. Google maintains the world's largest online index of websites and other content, and Google makes this information freely available to anyone with an Internet connection. The company today employs over three-thousand people.

3. Mr. Page is Google's President, Products, and Mr. Brin is Google's President, Technology. Both Mr. Page and Mr. Brin are actively and heavily involved in Google's day to day operations. Together with Google's CEO Eric Schmidt, Mr. Page and Mr. Brin provide the general supervision, direction and decision-making of the company, subject to the control of the board of directors, on which both Mr. Brin and Mr. Page sit.

4. Mr. Page and Mr. Brin typically work at least 60 hours per week and rarely take a day off. They regularly travel for business and are often out of the area for extended periods of time. So busy are they, that they have a staff of four administrative assistants, including me, to handle their day to day affairs and scheduling.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct to the best of my knowledge, information, and belief.

This declaration was executed on May 5, 2005 at Mountain View, California.
